

Theatres and Decontamination Conference

'Efficiency and Safe Practice in the Workplace'

Thursday 5th March 2020, Ricoh Arena, Coventry

This conference will provide delegates with the opportunity to hear from key speakers regarding projects that have been undertaken to look at efficiencies in theatre and decontamination, and how this has an effect on the safety and care of our patients.

Why Attend? This annual one-day conference provides new insights into issues that are being talked about in real-time, today. The conference agenda has been developed by Theatre Managers and Decontamination Leads and provides exciting opportunities to learn and develop.

An associated exhibition will enable technical staff to have valuable and in-depth discussions with a large number of suppliers / manufacturers (over 30 in 2019) in a relaxed atmosphere.

There will be plenty of networking opportunity throughout the day with the chance to meet with NPAG Theatres and Decontamination members who have achieved success and savings through productive benchmarking.

In 2019, delegate feedback was extremely positive with 100% of respondents recording they would recommend this conference to a colleague.

Who Should Attend? This conference is open to all NHS and non NHS, Theatres, Surgical and Decontamination Managers.

Delegate Feedback 2019

"First time attending, will be returning - very useful day with a lot of information to take back to the Trust." Theatre Manager, West Hertfordshire Hospitals NHS Trust

"Having attended this conference on a number of occasions I find it very informative and amiable. I can cascade invaluable information back to my area of practice theatres." Theatre Sister, Betsi Cadwaladr UHB

"Excellent conference with a excellent range of presentations and subjects." Theatres Team Leader, Nottingham University Hospitals
