

Facilitator Profile

Dale Atkins
DA Consultancy

Dale is a highly motivated freelance consultant with over 35 years of experience working as a senior health professional in and around the NHS. Dale has gained a wide range of knowledge in the fields of commissioning, health service planning, health management information and service redesign – within both the primary care and the secondary care sectors.

Dale is currently an NPAG business associate with responsibility for the Resilience Development Network, the Security Network, the Nursing & Temporary Staffing BVG*, the Operating Theatre Managers BVG and the Waste Management BVG. Dale has also been involved in a number of other NPAG projects including business reviews, workshop programmes and conference chairing.

Outside of NPAG, Dale has experience of working in primary care assisting GP practices with service redesign, management information systems, business planning and resilience planning.
